ALUMINIUM COMPLETE JUMPS - GRAND PRIX COLLECTION

Aluminium fabricated wing & filler frames with a powder coated finish with specialist multiplex material used for painted infills.
Pvc infills have the highest quality 3m UV protected vinyl to ensure art work does not fade, with a further clear top layer of anti-scratch proof vinyl that is applied to keep your image protected and looking bright for years.

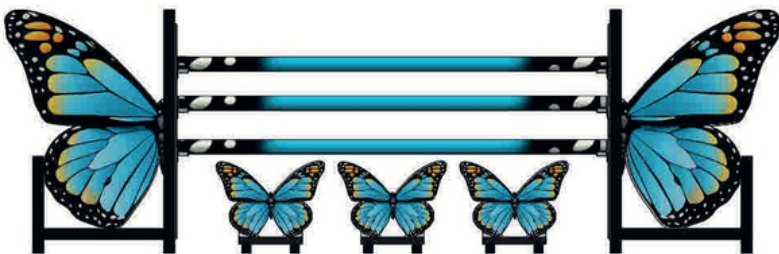

All these images are to scale displayed with a 3m jump pole & 1.7m wing frame height with poles priced as standard heartwood
Items are priced individually incase you wish to remove fillers, add poles or just purchase wings
